What Parents are saying

“This is an excellent program. I really feel it helps prepare parents for the changes to come.”

“I thought I knew just about all there was to know about the University as I am a proud graduate. I was wrong! Thank you for renewing my pride in UL. I wouldn't entrust my daughter's future to any other university.”

“This is my first child to go to college, so I wanted to know and understand as much as possible. The orientation was very informative and we enjoyed it very much.”
